The Member States can bring more representatives to the meeting if they so wish, but their travel costs will not be reimbursed from the EEPLIANT budget.

PROSAFE will serve a light sandwich lunch to all participants both days.

**EHI event**

PROSAFE has been informed that EHI organises a Panel Discussion on Energy Label for heaters the same day at 15:30 in their new offices next door to PROSAFE. The participants in WP6 have been invited to attend so the WP6 meeting is shortened to accommodate this initiative. Please contact EHI directly, if you haven't received an invitation for the event.
